

## *Mercy Health Network of Central Iowa & Boone County Hospital Daisy Award*

The Daisy Award Development Committee has set forth the following nomination criteria and Selection Committee Membership guidelines:

Nominations may be made by patients and their families, physicians, managers, peers, staff, community members or faculty members.

1. The nominee must have a current, unencumbered, Iowa Registered Nurse License or a Licensed Practical Nurse delivering direct patient care and/or significantly impacting such. Advanced Practice Registered Nurses are eligible.
2. Has worked a minimum of 2 years in the facility with at least 1 year as a RN, ARNP and/or LPN.
3. Is currently practicing in the hospital or clinic setting.
4. Completion of the formal Nomination Form will be submitted to the DAISY Award Selection Committee by the designated date set forth by the facility committee.
5. Two character references will be requested for each nominee by the Selection Committee which will include one reference from direct supervisor/manager and one reference from physician, peer and or an ancillary department staff member.
