Thank you for your invaluable support of the Boone County Hospital Foundation (BCHF). Your partnership is essential in funding projects, services, and equipment that enhance the comfort, safety, and quality of care at Boone County Hospital (BCH).

In FY2025, corporate sponsors like you helped us raise \$135,000 through events and contribute over \$317,000 toward impactful initiatives, including:

- Expanding hospital resources
- Elevating patient comfort and safety
- Ensuring the highest quality of care
- Building long-term sustainability through our Endowment Fund
- Supporting cancer-affected families through Project Be the Light

Corporate Sponsorship Levels for 2026

We started our Corporate Sponsorship opportunities in 2014. To sustain and expand vital programs like Project Be the Light and to offer enhanced recognition opportunities at key events, such as being featured as a Trivia Night Round Sponsor, we are continuing with the following corporate sponsorship tiers:

- Gold Sponsorship: \$2,500
- Silver Sponsorship: \$1,500
- Bronze Sponsorship: \$1,000

These levels help amplify business recognition and directly support the growth of programs, services, and equipment that elevate patient care.
